25X1A

- (2) ☐ Comment: Contrary to the SMV's usual policy of meeting all satellite charges with dollar payment only, the SMV now pays Metrans 80 percent in dollars and 20 percent in Czech crowns.

- (3) ☐ Comment: Of this cement, 27 carloads were earmarked for delivery to the SMV Office for Deep-Well Drilling in Prottes and six carloads for the SMV subsidiary Bau-und-Montage.

- (4) ☐ Comment: The explanation for these shipments was given in ☐ Comment (5).

25X1A

- (5) ☐ Comment: Part of this material was destined for Maszalai, Budapest.

25X1A

- (6) ☐ Comment: This ball bearings dealer recently received several anonymous letters citing the amounts of his sales to the SMV and warning him against further dealings with the Soviets. Poelzl is of the opinion that certain Purchasing Office employees are working as informers for his competitors. Therefore, by order of Purchasing Office Director Voronin, a check for 476,000 schillings issued to Poelzl by the Soviet Military Bank on 28 January 1952 was not entered in the books of the Purchasing Office. Poelzl has asked Voronin that he also stop sending Soviet vehicles to collect materials from his factory.
